

**May 2006 - Catalyst Senior Quality Assurance Analyst fulfills requirements for lead auditor certification.**

Catalyst congratulates Senior Quality Assurance Analyst Durreshahwar Qadir for successfully fulfilling the requirements for ISO 9001:2000 RAB QMS lead auditor certification. The ISO 9001:2000 Lead Auditor Course teaches the principles and practices of effective quality management systems and process audits in accordance with the ISO 9000 series of standards and ISO 19011:2002, "Guidelines for Quality Management Systems Auditing." After completing this course, one has the ability to manage the entire audit process, from managing an audit program to reporting on audit result, supplying the necessary auditing skills to provide leadership in facilitating a group or company in all exercises required to obtain ISO certification.
